GB RECYCLING GROUP

NATIONWIDE REACH. LOCAL SERVICE FEEL.

GB is a family-run business running since 1972. Originally founded in London as a skip hire company, we have grown into a nationwide provider of complete waste solutions across the UK.

We now offer a full range of services including skip hire, grab hire, aggregates, concrete supply, and caged vehicle collections for both domestic and commercial customers.

Call now on **0330 633 1972**

WE RECYCLE AROUND 95% OF THE WASTE WE COLLECT

When you leave waste in a skip or container for us, you want to be confident that as little of it goes to landfill as possible. Currently we recycle 90-95% of the waste we collect. We aim to increase this percentage year-on-year.

Email us at info@gbskiphire.com

CHANGING THE WAY YOU MANAGE WASTE

It's not just what you need to get rid of. It's how you dispose of waste that really matters. It matters because of legislation. It matters because getting it wrong can damage pockets, businesses and reputations. It matters because when you work with the right waste management partner – a partner who handles everything from permits to recycling – life is easier.

We know effective waste management isn't your goal. It's the thing you need to do to create the space for whatever's next. Yet whether your project is garden clearance or site remediation, effective waste management is our goal. It's all we do. And we've been helping households and businesses do it since 1972.

Let's move recycling forward. Talk to GB about skip hire and waste management services for your home or business.

OUR VALUES

These core values drive and inspire everything we do.

SERVICE

Our commitment is to deliver outstanding service, ensuring our clients receive timely, reliable, and tailored support every step of the way.

COMMITMENT

Our commitment to excellence goes beyond mere words—we strive to go above and beyond, surpassing expectations and delivering measurable results for our clients.

SUSTAINABILITY

Environmental responsibility is central to our operations. We are dedicated to reducing waste, maximising recycling, and championing sustainable practices that benefit both our clients and the planet.

SKIP HIRE

At GB, we provide reliable and affordable skip hire services for homes, businesses, and construction projects. We offer a range of skip sizes to suit all types of waste disposal needs, with prompt delivery and collection to keep your project running smoothly.

As a responsible waste management company, we are committed to recycling as much waste as possible, helping to reduce landfill and support a cleaner, more sustainable environment. Our goal is to make waste removal simple, efficient, and environmentally friendly for all our customers.

GRAB HIRE

At GB, we provide professional grab hire services for the quick and efficient removal of large volumes of waste, soil, hardcore, and other materials.

Our modern grab lorries can access areas that may be difficult for skips, helping to save time and reduce labour costs.

Whether you're working on a construction site, landscaping project, or property clearance, we offer a reliable and cost-effective solution.

RO-RO'S

At GB, we provide reliable Roll-On Roll-Off (RORO) container hire for the efficient removal of large volumes of waste. Ideal for construction and commercial projects, our ROROs offer a cost-effective solution for handling high-capacity waste streams.

Available in a range of sizes, they are perfect for mixed construction waste, inert materials, and general site waste, helping keep your project clean, compliant, and running efficiently.

Call now on **0330 633 1972**

AGGREGATES

We supply a wide range of high-quality aggregates for construction, landscaping, and groundwork projects.

From recycled aggregates and crushed concrete to sand, gravel, and topsoil, we provide materials that meet the needs of both domestic and commercial customers. Our prompt delivery service ensures you receive the right materials when you need them.

CONCRETE

We supply quality concrete for projects of all sizes, from small domestic jobs to large commercial developments.

We work to provide a reliable service with timely deliveries and the correct mix for your specific requirements. Whether you're laying foundations, driveways, or structural concrete, we help ensure your project runs smoothly from start to finish.

PORTABLE TOILETS

At GB, we provide reliable portable toilet hire for construction sites, events, and temporary projects.

Our units are clean, fully serviced, and delivered directly to site, ensuring comfort, hygiene, and compliance at all times. With flexible hire options and regular maintenance available, we offer a simple and dependable solution to support your site requirements.

Email us at info@gbskiphire.com

CAGED VEHICLES

Our caged vehicle service offers a convenient solution for collecting and transporting loose waste, recyclables, and bulky materials.

Ideal for sites where a skip may not be practical, our caged vehicles provide a flexible and efficient waste collection service. We work with businesses, construction sites, and local authorities to ensure waste is removed safely and responsibly.

WHEELIE BINS

We provide wheelie bin hire and collection services to help businesses manage their waste efficiently.

We offer a range of bin sizes suitable for general waste, mixed recycling, and specific waste streams, with flexible collection schedules tailored to your needs. Our service is designed to keep your premises clean, compliant, and environmentally responsible.

WE DO IT ALL

We're here to help keep your project running efficiently, fully compliant, and on schedule. Contact us today on **0330 633 1972** or email **info@gbskiphire.com** to discuss your requirements and find the right waste management solution for your project.

SECTORS WE WORK WITH

BUILDERS

We work with builders of all sizes, providing dependable waste removal and material supply services to keep projects running smoothly. From skip hire and grab hire to aggregates and concrete, we help contractors maintain safe, clean, and productive sites.

HOME DEVELOPERS

Residential developments generate a wide variety of waste streams throughout the construction process. We support home developers with skip hire, grab hire, aggregates, concrete supply, and recycling services to keep projects on schedule and compliant with waste management requirements.

HOSPITALITY & EVENTS

Hotels, restaurants, pubs, leisure venues, festivals, and commercial events all rely on dependable waste management. We provide flexible wheelie bin collections, recycling services, bins, and waste removal solutions tailored to the needs of hospitality businesses and events of all sizes.

HOSPITALS

Healthcare facilities require professional and reliable waste management services to maintain safe and hygienic environments. We work alongside hospitals to provide efficient waste collection and recycling solutions that support their day-to-day operations.

LANDSCAPERS

Landscaping projects often involve the removal of soil, green waste, rubble, and other materials. We provide grab hire, skip hire, aggregates, and material supply services that help landscapers complete projects efficiently while maintaining tidy and professional work sites.

LOCAL COUNCILS

We support local councils with a range of waste collection, recycling, and site clearance services. Our reliable fleet and experienced team help deliver efficient waste management solutions that meet public sector requirements and environmental standards.

NURSING HOMES

We understand the importance of cleanliness, safety, and reliability within care environments. Our waste management services help nursing homes maintain high standards while ensuring waste is collected and processed responsibly.

ROOFERS

Roofing projects often generate significant amounts of waste, including tiles, felt, timber, and packaging materials. Our skip hire and grab hire services provide roofers with a convenient and efficient way to manage waste while keeping sites safe and organised.

SCHOOLS

Educational facilities require efficient waste management that minimises disruption. We provide wheelie bin collections, recycling services, and waste solutions tailored to schools, colleges, and educational campuses, helping them maintain clean and environmentally responsible environments.

Email us at info@gbskiphire.com

WASTE MANAGEMENT PLAN

A Site Waste Management Plan (SWMP) helps construction and refurbishment projects improve sustainability, increase recycling, control costs, and demonstrate environmental compliance.

Although no longer a legal requirement, an SWMP may still be needed for BREEAM assessments, planning conditions, or client requirements.

A SWMP typically answers key questions such as:

- Who manages the waste?
- How much waste is generated?
- When is it moved?
- What does the waste contain?
- Where is the waste taken?
- Does the receiving facility have the appropriate permits?
- How will the waste be managed and recycled?

We can help draft, manage, and review your Site Waste Management Plan, ensuring all records are accurate, compliant, and easy to access.

PORTAL

Our online customer portal gives you instant access to waste reports, recycling data, waste transfer notes, invoices, and compliance documents. Easily track waste movements, monitor environmental performance, and keep all your project documentation in one place.

Sponsorships

At GB, we believe in supporting the communities that support us. Through local sponsorships, partnerships, and charitable initiatives, we are proud to make a positive impact both on and off the field.

Buckhurst Hill Football Club

For many years, GB has proudly sponsored the Buckhurst Hill Football Club at youth level. Supporting local football teams allows us to invest in the next generation, helping young players develop confidence, teamwork, discipline, and a passion for sport.

We are committed to encouraging opportunities for local young people and are proud to play a role in helping the club continue to grow and succeed.

Romford Dogs Partnership

We have a long standing partnership with Romford Dogs. Building a strong relationship that has become an important part of our customer engagement activities.

Each year, we host events with our customers at Romford Dogs, providing a fantastic opportunity to strengthen relationships, network, and enjoy memorable experiences together.

These events have become a valued part of our calendar and reflect our commitment to supporting local organisations.

Supporting St Clare Hospice

Our chosen charity is St Clare Hospice, a local organisation that is particularly close to our hearts and one that holds special meaning for our Directors.

St Clare Hospice provides compassionate care and support to adults living with life-limiting illnesses, while also offering guidance and assistance to their families and loved ones. Their dedicated team delivers specialist care, emotional support, and practical help, ensuring that patients receive the highest quality care with dignity and respect.

The charity's work is especially important to GB, as it is very close to our Directors' hearts. Having witnessed first-hand the difference that hospice care can make to patients and their families, supporting St Clare Hospice has become a cause that is deeply personal to our business.

Over the years, through fundraising initiatives, customer events, charity days, and company-wide activities, we have proudly raised thousands of pounds to support the hospice and the invaluable services they provide. Every event we organise presents an opportunity to raise both awareness and vital funds, helping St Clare Hospice continue supporting local families when they need it most.

We are honoured to support such an incredible charity and remain committed to helping them continue their outstanding work for years to come. Through our ongoing fundraising efforts, we hope to make a meaningful difference to a cause that provides comfort, care, and support throughout our local community.

FAQs

HOW SOON CAN YOU DELIVER?

We can often provide same-day or next-day service across many of our solutions, subject to availability. Delivery times may vary depending on demand, location, permits, and the service required. Contact us on **0330 633 1972** for current availability and lead times.

HOW MUCH DOES IT COST?

Every job is different. Pricing can vary depending on the service required, quantity of material, location, access requirements, delivery or collection arrangements, and project timescales. Call us today on **0330 633 1972** for a competitive quote tailored to your needs.

WHAT SIZE SHOULD I GET?

Our website has a general guide chart. Better still, phone us on **0330 633 1972** with your needs and we'll make sure you get the right size for your project.

WHAT AREAS DO YOU COVER?

We serve domestic, commercial, and trade customers throughout the UK. Please contact us to confirm coverage for your location.

WHAT CAN & CAN'T I PUT IN MY SKIP, CAGED VEHICLES AND WHEELIE BINS?

Please visit our website to view a full list of acceptable and non-acceptable waste items, or contact our office on **0330 633 1972** and a member of our team will be happy to help.

WHERE CAN I PUT MY SKIP?

On private property:

Your skip should be placed somewhere accessible for our vehicle. Please note that a fully loaded skip can be very heavy and may damage driveways, paving, or soft ground.

On the road:

A permit is usually required if the skip is placed on a public road. We can arrange this on your behalf. Some locations, such as busy or narrow streets, may not be suitable for skip placement. In these cases, our Wait & Load service may be a better option.

CAN YOU DELIVER AGGREGATES IN BULK?

Yes. We supply and deliver aggregates in quantities suitable for both small domestic projects and large commercial developments.

ARE RECYCLED AGGREGATES AVAILABLE?

Yes. We offer high-quality recycled aggregate products as a sustainable and cost-effective alternative.

DO YOU SUPPLY READY-MIX CONCRETE?

Yes. We can supply ready-mix concrete for commercial, construction, and domestic projects.

WHAT IS GRAB HIRE AND WHEN IS IT USEFUL?

Grab hire is ideal for removing large quantities of soil, rubble, hardcore, and green waste quickly. Our grab lorries can load waste directly from your site, reducing labour and saving time compared to traditional skip loading.

HOW MUCH WASTE CAN A GRAB LORRY CARRY?

A standard grab lorry can typically carry up to 16 tonnes of waste in a single load.

WHAT CAN A GRAB LORRY REMOVE?

Grab lorries can remove soil, hardcore, concrete, bricks, green waste, and general construction waste.

HOW QUICKLY CAN CONCRETE BE DELIVERED?

Delivery times vary by location, but we always aim to provide a prompt and efficient service to keep your project moving.

Email us at info@gbsskiphire.com

FAQs

WHAT IS A CAGED VEHICLE USED FOR?

Our caged vehicles are ideal for collecting and transporting lighter waste materials such as garden waste, general rubbish, wood, cardboard, and bulky household items where a skip may not be practical.

ARE CAGED VEHICLES SUITABLE FOR SITES WITH LIMITED ACCESS?

Yes. Their smaller size makes them ideal for sites where larger vehicles may have restricted access.

WHAT IS A RORO CONTAINER?

RORO containers are large waste containers designed for high-volume commercial and construction waste.

WHAT SIZES ARE AVAILABLE?

RORO containers are commonly available in 20-yard and 40-yard capacities, depending on project requirements. Please call the office to confirm **0330 633 1972**

CAN YOU SUPPLY WELFARE UNITS?

Yes. Welfare facilities can be provided alongside portable toilet hire where required.

DO YOU SUPPLY PORTABLE TOILETS FOR CONSTRUCTION SITES?

Yes. We provide portable toilet hire for construction projects, events, and temporary work sites.

HOW OFTEN ARE PORTABLE TOILETS SERVICED?

Service schedules can be arranged to suit your project requirements, ranging from weekly servicing to more frequent visits.

DO YOU WORK WITH BOTH SMALL AND LARGE BUSINESSES?

Yes. Whether you're a local tradesperson, a growing contractor, or a nationwide organisation, we provide the same high level of service and commitment to every customer.

CAN YOU PROVIDE A DEDICATED ACCOUNT MANAGER?

Yes. Our experienced team works closely with customers to ensure projects run smoothly, providing a single point of contact wherever possible.

CAN YOU SUPPORT LONG-TERM CONTRACTS AND ONE-OFF PROJECTS?

Yes. We work with customers on everything from one-off collections and short-term projects to long-term waste management contracts.

HOW DO I GET A QUOTE?

Simply call, email, or message us with details of your project. We will provide a competitive, no-obligation quotation.

WHAT MAKES YOUR COMPANY DIFFERENT?

We combine competitive pricing, reliable service, fast response times, quality materials, and expert advice to provide a complete waste management and aggregate supply solution

ARE YOUR SERVICES ENVIRONMENTALLY RESPONSIBLE?

Yes. Sustainability is at the heart of what we do. We work to maximise recycling rates and divert as much waste as possible from landfill, helping our customers meet their environmental objectives.

ARE YOU LICENSED AND INSURED?

Yes. We are fully licensed and insured, providing customers with peace of mind and professional service.

DO YOU OFFER COMPETITIVE PRICING?

We pride ourselves on offering competitive rates without compromising on service, reliability, or compliance.

WHY DO CUSTOMERS STAY WITH GB RECYCLING GROUP?

Our customers value our reliability, flexibility, industry knowledge, and commitment to delivering excellent service. Many of our partnerships have been built over years of consistently supporting our customers' needs.

WHY CHOOSE GB?

With over 300+ glowing reviews on Google, Trustpilot, and Yell, here's a glimpse of what our customers have to say.

One of the fastest and most professional companies I have ever worked with. The communication was seamless, and the service received was top shelf. They are the go-to waste removal company for me!

John Iavni - Google

GB Skips are the absolute best in the business. I've been using them for years and can honestly say nothing is ever too much for them. There's no hidden agenda, just a professional, helpful team who go above and beyond to give their customers the best possible experience. My driver today was friendly and even helped me load the skip. Highly recommend. Will never use anyone else

Stephen H - TrustPilot

I was struggling to find a company that could deliver a skip and provide all the details upfront, GB could, Anita was great, very polite and made sure everything went smoothly! We work all over the UK and GB was up there with the best!

Kel - Yell.com
